

SABRA DESAI

Women's Declaration

Our lives matter!

Our voices matter!

The stories of missing and murdered
daughters, grandmothers, mothers, sisters of all spirits must be told by all

Efforts to dismiss, minimize, silence and shut women down will be drowned with our
raised voices

We are women, we are mothers, grandmothers, sisters, daughters, wives
We are leaders, motivators forging ways to the future

We shall not capitulate
We will stand up and speak out until women are heard

Through the ballot if we must
It will be our attestation our declaration.
