JOANNA M. WESTON

UNWRITTEN

a great stillness
weighs on the house

the rain mutters 'dying'
a word I cannot lift

hold in a sentence
nor put beside your name

I touch the burden
watch the underside

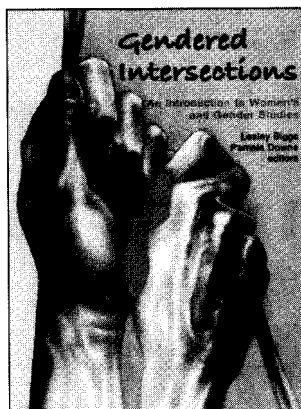

of your letters
as they carve themselves

into death
and I begin to understand

the sentence
written without you

Joanna M. Weston has published internationally in journals and anthologies including *The Missing Line* (Inanna Publications, 2004).
