OLIVE ROBERTS

My Journey

I've had a life –
 conquered pyramids
 drawn warmth from the sun.
 Felt the spray of distant oceans,
 to prairie sky sung devotions.
 Flown free into the impenetrable blue
 and ... as others do
 screamed frustration into the wind,
 faced death, shared life.
 In some ways ... made a difference.

Olive is 82 years old. She lives in Port Perry, Ontario.

feminists under fire

Wenona Giles, Malathi de Alwis, Edith Klein, and Neluka Silva (co-editors)
 with Maja Korac, Djurdja Knezevic, and Zarana Pasic (advisory editors)

FEMINISTS UNDER FIRE is about women living and working in conflict zones. Focusing on the civil wars in Sri Lanka and the former Yugoslavia, diverse authors face the problems of nationalism, ethnic conflict, and militarized violence. They explore commonalities and differences between the two regions, and consequences for women, their societies, and feminist politics.
