## LE PLUME DU PHÉNIX

### Esquisse de paix

comme une âme égarée accrochée à ta plume, douce  
colombe,  
je veux laver ce sang qui a taché ton aile déjà meurtrie par  
les  
guerres,  
j'ai perdu mon corps dans les dédales des premières  
calendes en posant le pied sur la terre souillée du corbeau...  
...  
explosion d'horreur.  
avec un pieu au cœur, j'ai tendu les bras et tu m'as soulevé  
pour mieux me protéger .  
j'étais en lambeaux, presque oubliée,  
la gorge serrée je me suis accrochée à la fraîcheur de ton  
souffle et l'espoir au poing  
j'ai fracassé les barrières qui emprisonnaient la paix.  
ainsi, pour toi mon âme,  
dans un ultime cri du cœur, je veux hurler à la face du  
monde  
et à tous ceux qui peuvent encore la protéger  
que ce n'est pas en vain que j'ai libéré son nom.
